

KELVIN CLIP TEST LEADS

- Wire length: 1130±30mm
PVC insulated wire (1000mm) with connected straight input plugs (130mm PVC wire)
Outside diameter: 4.0mm
- Input plug color: Red•Green•Black•Blue
- Current rating: 10A
- Voltage rating: 600V
- Designed for Milliohm meter, Microohm meter, Low resistance measurement with high current injection.
